

NAVY CHILDREN SCHOOL, PORBANDAR

Annual Academic Report 2020-21

Our accomplishments in academics and co-scholastic domains are worthy to be mentioned to motivate in these COVID-19 Pandemics. The academic year 2020-21 turned out to be blooming and judge our abilities and capability of striving not only in academics but in co-curricular activities too.

As the entire academic year was running online, Enterprise Resource Planning (ERP) provided direct upload of the daily homework on the online portal thus updating parent's daily work of their wards.

Achievements

Promoting the harmony across all communities special online assemblies are conducted on all important days. All major festivals were celebrated with children and they got a chance to understand the richness of our diverse country in the inter school quiz competition, our school students put their best foot forward and have brought laurels to the school.

Efforts for Environmental Education

A special video was released from the school for the awareness of tree plantation on the environment day. School took an initiative of special activity of planting trees in which all the students planted at least one tree in a month and took care too to reduce the pollution.

Innovations

The school team won runners up trophy in the inter school quiz competition held as part of Navy week celebration.

Robotics, a stem based educational activity is part of the co-curricular activities. Students of NCS have represented the district at World Robotics and Junior First Lego League and qualified for national level competitions.

Overall Results

Academic results of Std VI, VII and VIII made school proud by receiving NES Rolling trophy for academic excellence in the AY 2019-20. All efforts are in place to sustain the academic standard in the forthcoming year also.

PTA Activities

Parent Orientation Programme was conducted as regular practice followed every year, the session began with the online orientation programme for the parents of the students from KG to Std X Parents and teachers have been brought closer as it was fully implemented.
